

Beer and Cider Brochure

We are very happy to be providing for all your ale and cider needs for a fifth wonderful year.

We have an excellent selection of many of your favourites, including classics from Salopian, Wye Valley and Enville.

This year we are offering 41 different beers from 15 different brewers, plus a great selection of traditional ciders and perries. Watch out for the return of Festival special 'The Ark' cider. Made at the Fleece with assistance from one or two cidery friends!

For something a bit out of the ordinary try our offer from Wilderness Brewery. We have ventured over the border to bring in brews from Monty's brewery, and are also featuring great ales from Stonehouse Brewery.

Our range of vegan and gluten free beers has also increased slightly and for the first time ever we have introduced a 0.5% ale in craft keg form: Big Drop's Citra IPA is also complemented by a couple of low alcohol bottled beers.

Thanks again to Kingstone Press Cider and Purity Brewery for their sponsorship.

Look out for our amazing new high level Gin Palace – great gins, fizz and cocktails with superb views of the festival.

Please let us know how we do, always looking to keep getting better!
