

Bar Brochure 2021

We are very happy to be providing your drinks needs for the return of the Festival this year.

Many of your favourites are back and we are proud to join with the Festival in welcoming Salopian as new sponsors of the Berwick Bar. Along with their usual choices such as Lemon Dream (we've bought even more this year!); there are a couple of intriguing specials on cask & keg. Other local breweries include Ludlow & Hobson's. Look out for Ludlow Gins too!

Thanks to also Purity Brewery & Wenlock Water for their sponsorship.

Those of you looking for Gluten Free or Vegan choices will find a variety of options on cask and keg, and for those looking for a low or no alcoholic option we have a choice of 5 beer, lagers & ciders by the bottle.

One bit of sad news in there is no Sarah Hughes Dark Ruby Mild this year (nowhere, not anywhere (except the amazing Beacon Hotel where they brew the stuff) but we do have the reigning Champion Mild Beer of Britain instead –Grave Digger's Ale by Church End. This is all down to the C word so fingers crossed for a return to normal next year. With regard to Covid precautions, our staff are all tested prior to, and during the festival and we will be following festival guidelines on mask wearing, along with other measures. Please pay by contactless if possible, and move away from the bar once served, thank you. Taking the lead from other events, we will be offering reusable glasses again (a fresh glass each time, sorry no direct tankard filling!)

Olive the Bus Bar is back with a selection of delicious cocktails & gins, enjoy your drink with a view, and do tag us in your photos @moongazing.hare.bars on Instagram for a daily chance to win £10 to spend at the bars #moongazingharebars.

Please let us know how we do; we are always looking to get better!
