Twitter - @shrewsburyfolk [www.twitter.com/shrewsburyfolk](http://www.twitter.com/shrewsburyfolk)

- ★ Make a camp in your garden or living room, get the bunting out!
- ★ Create an obstacle course, get active
- ★ Recreate a favourite festival meal, or giant ice cream
- ★ Invent your own festival cocktail or mocktail
- ★ Make a tent for your TV or computer, this helps to block the sun if watching outside and bring some serious festival vibes
- ★ Get the glitter out! Give yourself a festival makeover or glitter beard
- ★ Show us your beer tent
- ★ Cool off in your paddling pool
- ★ Get dolled up in your best festival outfit, can you upcycle an old t-shirt?

In the Pande'home'ium tent, we have created some videos to show you how to make bunting for your garden, badges out of recycling, BBQ bananas and more. There are also stories and music for when the little ones need a rest and some calm down time.

We'd love to see what you create so please share your pictures with us on social media.
